

Vedanta urges SC to vacate status quo order on HZL shareholding

INDU BHAN
New Delhi, January 31

ANIL AGARWAL-CONTROLLED MINING conglomerate Vedanta Resources on Friday urged the Supreme Court to vacate its status quo order so that it can take full control of Hindustan Zinc and also comply with the Sebi regulations. It said the status quo order was "creating uncertainty" and "serious prejudice" and also hurting interests of it as well as HZL.

The apex court had in January 2016 ordered a status quo in the shareholding pattern of HZL till further orders, thereby stalling the government's plan to proceed with the residual stake sale in the company.

A Bench of Chief Justice SA Bobde asked the National Confederation of Officers' Association, an employee union which challenged the HZL divestment, to respond to the Vedanta plea and posted the matter for final hearing in March.

Advocate Prashant Bhushan, appearing for the association, argued that the information received through RTI claimed that the Department of Legal Affairs in a

December 2012 note had opined that changing the nature of HZL from a public company to an ordinary company itself was not permissible till the Metal Corporation (Nationalisation and Miscellaneous Provisions) Act, 1976, was amended for this purpose. "I do not know how this government is functioning," Bhushan said.

However, the CJI said, "We wonder how policy matters can be discussed in the RTI... The information officer cannot say 'why a policy decision was taken,' but can only say 'what decision has been taken.'"

Senior counsel Mukul Rohtagi, appearing for Vedanta, asked why should the government not be allowed to sell its stake. He said the dis-

Profit rises 49%

VEDANTA ON FRIDAY reported a 49.1% rise in its consolidated profit to ₹2,348 crore for the December quarter on the back of lower expenses. The company had posted a profit of ₹1,574 crore in the year-ago period, it said in a filing with the BSE. The profit is "attributable to owners of Vedanta Ltd", the filing said.

However, it posted a decline in consolidated income to ₹22,007 crore in the October-December period, against ₹25,067 crore in the year-ago period. PTI

vestment occurred in 2001, and it has already been 20 years. "Look at Air India, it is bleeding. The government is willing to sell its stake. Can anyone challenge such sale?" Rohtagi asked.

The association had alleged Sterlite Industries, part of Vedanta Resources, had picked up a majority stake in the PSU at an undervalued price, resulting in estimated losses running into hundreds of crores to the exchequer.

Royal Enfield to stop selling 500 cc bikes in India from April

FE BUREAU
Chennai, January 31

ROYAL ENFIELD ON Friday said it has decided to stop selling of its famous 500 cc bikes such as Classic, Bullet and Thunderbird in India, effective April 1, 2020. The company said it will retail these motorcycles only till March 31 in India. However, these bikes will continue to be exported to

global markets.

Launched in 2008, these bikes have been the company's hallmark and echoed Royal Enfield's tradition of the long-stroke character. These 500 cc motorcycles have been the genesis of the Classic 350 as we know it today, and have been instrumental in Royal Enfield's success across the world, said a press release here.

As per Siam data, for the

April-December 2019 period, domestic sales of these 500 cc bikes sharply dropped to 16,543 units as compared to 30,219 units in the year-ago period. In December, domestic sales were much lower at 365 units, compared with 1,766 units sold in December 2018, Siam data show.

Royal Enfield said these motorcycles will be the last in India to carry the iconic long-

stroke single cylinder UCE 500 cc engine and will be exclusively made to order in a limited production run. Each of the motorcycles will carry a hallmark commemorative 'End of Build' serial numbered plaque making it unique to its owner. These motorcycles will be made available through a limited time online sale on February 10. While the Classic 500 Tribute Black limited edition motorcycles will bear the distinguished and iconic pin-stripe just like the Classic 500, tion will go on sale online on February 10, Royal Enfield will continue to introduce motorcycles imbued with the legacy of resilience, timeless appeal and distinctive build. The online sale has already begun for the same, the release said.

The Royal Enfield Classic 500 Tribute Black limited edition motorcycles will bear the distinguished and iconic pin-stripe just like the Classic 500.

PowerGrid Q3 net rises 13% on higher revenues

POWER GRID CORPORATION of India (PGCIL) reported a 12.7% year-on-year rise in its net profit to ₹2,667.2 crore for the quarter ended December 31 as revenue from power transmission—its main business segment—grew 6.5% y-o-y to ₹8,813.7 crore. The

revenue accounted for the change in MAT rate, from 18.5% to 15%. Tax expenses fell 46.6% to ₹793.3 crore.

The company said Q3 results do not account for ₹21,953.7 crore demanded by the DoT as additional license fee for the national long distance and

internet service provider licenses. PGCIL said that it has already intimated the DoT that such demand is not legally sustainable and has also filed a petition in the SC.
